

4 DAYS BEST TANZANIA NORTHERN SAFARI

TOUR DETAILS:

- This safari takes you through the highlights of renowned parks of northern Tanzania.
- The tour starts at Tarangire, famous for its dense wildlife population then to Ngorongoro crater, which supports a year round resident population of mammals.
- A visit to Serengeti follows, a big game haven that hosts over 3 million large mammals.
- Finally, we head to Lake Manyara national park, an ornithologists' paradise known for the elusive tree-climbing lions.

Itinerary (Day by Day):

Arrival: Pick up from Kilimanjaro airport or your hotel if you are joining us after climbing Kilimanjaro. Drive to your hotel in Arusha and check in and drive into Arusha town to explore. Arusha City is situated at the foot of Mount Meru and it is the most famous city as a gateway to the Northern Safari circuit. You will overnight in a hotel in or near to Arusha.

Day 1: Arusha – Tarangire National Park - Karatu/Mto Wa Mbu

After a delicious breakfast, we departed from Arusha to Tarangire National Park. On the way to Tarangire we saw Maasai villages. Upon arrival at Tarangire National Park, it was everything we expected and more! Let's just say, be prepared to see a lot of elephants!! The park is famous for its high density of elephants and baobab trees. Then you will reach at Karatu for your overnight stay.

Day 2: Karatu- Serengeti (Evening Game Drive/To The Lodge)

After breakfast, we proceed to Serengeti, Tanzania's oldest and most popular national park and famed for its annual migration, when some six million hooves pound the open plains, as more than 200,000 zebras and 300,000 Thomson's gazelle join the wildebeest's trek for fresh grazing. Yet even when the migration is quiet, the Serengeti offers a remarkable game-viewing experience. Then you will back to lodge and have a dinner with overnight stay.

Day 3: Half Day Game Drive Then Drive to Ngorongoro for Overnight)

We depart for Ngorongoro conservation area, which sits at the rim of the Ngorongoro crater. An afternoon tour of the crater follows. The game drive begins with a 600m descent to the crater floor. The crater supports a year round resident population of a variety of wildlife and you can easily spot lion, elephant, rhino, buffalo and other species of plain animals.

Day 4: Ngorongoro Game Drive Then Drive Back To Arusha

A morning game drive at Ngorongoro. The park covers 330 sq. km, 70% of which is occupied by the lake. The varied ecosystem consists of ground water forests, acacia woodland and open grassland along the lake shore and sustains a wealth of wildlife, including the big five - lion, elephant, leopard, rhino and buffalo. We head back to the lodge for lunch and return to Arusha afterwards.

Departure: Should be breakfast in a hotel in Arusha and prepare for a transfer to the airport...
